Areas & Industries

Data Protection, Employment, Pensions and Immigration, Insurance and Pension Funds

Professional Experience

Helena Tapp Barroso joined the firm in 2006. She is co-coordinator of the insurance, reinsurance and pension fund team, a member of the intellectual property, technology and data protection department and also a member of the employment, pensions and immigration department.

Helena provides regular legal counselling on data protection, labour and corporate law, regularly assisting clients in structuring solutions and operations covering business areas such as the digital economy and new technologies, banking, financial activities and insurance, as well as in the automotive industry, distribution and healthcare sectors.

She also advises on insurance law, with particular emphasis on pension funds.

Helena provides advice in all areas of employment and social security law, including those connected with the incorporation and transfer of businesses and corporate restructuring, covering all areas of work organisation and mobility of people. She also regularly represents several clients in labour litigation and dispute regulation.

Helena has wide experience in providing consultancy on data protection and connected matters, dedicating an important part of her professional activity to advising national and international clients on setting-up privacy and data protection policies, performing data protection audits, training and compliance programmes, as well as assisting clients in preparing and reviewing contractual clauses and analysing, evaluating and
