Professional Experience

Cláudia Castanheira dos Santos joined the firm in 2000. She is a member of the banking and finance team.

Cláudia has been advising national and international clients particularly in structured finance, project finance (with emphasis in the energy sector and road concessions), real estate finance as well as in debt restructuring. She also advises in private equity transactions, either in structures exclusively national as well as structures with international presence.

Recently, she has participated in road concessions and health project finance transactions and participated in the incorporation of one the most relevant private equity funds in Portugal, which is investing in construction sector. Currently, she is focused in PPP road concessions renegotiations.

Cláudia also has a wide experience in corporate matters, including merger and acquisitions transactions, restructurings, squeeze-outs, winding-up procedures and also redomiciliation of foreign companies.

Education

Law Degree (University of Lisbon School of Law, 2000). Postgraduate Studies in Aviation Law (Nova Law School, 2007). LL.M. in International Business Law (Católica Lisbon School of Law, 2017).

Memberships

Portuguese Bar Association (admitted in 2002).
